

DAY BIRGER  
ET MIKKELSEN

## ACCESSORIES DESIGNER DAY ET (Copenhagen HQ)

DAY et accessories has experienced a rapid growth, and over the past 3 years the revenue has increased with more than 50 % pr. year. DAY et is without a doubt a fast growing elite and is now focusing on increasing the international market.

We are therefore looking for a dedicated and structured accessories designer with product development knowledge to create collection design and visual guidelines to support different platforms.

The Accessories Designers role will be working closely together with the Creative/Brand Director, supporting the overall design direction.

Areas of responsibility:

- Planning and execution of six accessories collections a year, express and Key account collections together with Creative Director
- Design & Execution of accessories collection consisting of nylon & leather bags, scarves, iPhone- covers and new development
- Trend sourcing online and fabric/leather pre-selections according to forecasts and matrix
- Prepare research selections of moods, colors and styles
- Collection build up and renewal proposals within categories and new development lines
- Responsible for well managed PDM system, with in detailed structured input for each design
- Daily supplier contact from research stage and commenting of styles until production stage
- Styling showroom and visualize the collection from initial idea to final product (and on SoMe platforms)
- Visual presentation preparation for international sales meetings
- Color-card build-up and distribution for purchase team and suppliers
- Photo shoot assistance and idea generation for smaller shoots/ activity campaigns
- Approval of pack shots and commenting on photoshoot pictures and other campaign material

Requirements:

- Min. 3 years of experience in a similar role, preferable with leather knowledge
- Strong sense of color-coordination, prints and styling
- Always up to date with current high-street and catwalk trends - especially within bags
- Work knowledge in PDM programs, preferable Delogue or Trim it
- A creative thinker, solid structured and system oriented
- Pro-user of InDesign, Illustrator and Photoshop.
- Fluency in Danish and English.
- An ambitious team player

We offer an independent job with room for personal development, as well as committed and dedicated colleagues in a small energetic team. An exciting workplace located in the heart of Copenhagen with high ambition and international atmosphere.

We would love to receive your application as soon as possible.

Send your **application, image and CV** to Brand Director, Therese Niko Busch, on: [tnb@day.dk](mailto:tnb@day.dk) and write "ACCESSORIES DESIGNER" in the subject field.
